FABRIC APPLICATION

Many Hickory White Fabrics are cut to "railroad" on the furniture in order to prevent seaming. Fabrics with patterns that run "up the bolt" will sometimes require seams. Every fabric is swatched in the direction it will be cut for the furniture. Those patterns which are cut to railroad will state "Railroad" on the swatch.

"Railroad" or "Top to Selvage"

"Up the Bolt" or "Top Right"

PLEASE COMPLETE THIS FORM AND INCLUDE WITH YOUR PURCHASE ORDER OR WITH THE FABRIC ITSELF. YOUR ORDER WILL NOT BE ACKNOWLEDGED WITHOUT RECEIPT OF FORM AND FABRIC.
