Fun with Fractals: #1 - Ferns
Colouring sheet
Fun with Fractals: #2 - How to draw a stick fern

1. Draw a vertical line.
2. Draw a horizontal line below the vertical line.
3. Draw smaller horizontal lines branching off from the first horizontal line.
4. Continue branching out with smaller and smaller lines to create a fern-like pattern.
Fun with Fractals: #3 - How to draw squiggle ferns
(Also works as a christmas tree!)

1. Start with a long vertical line.
2. Draw a curved line connecting to the bottom of the vertical line.
3. Add more squiggly lines on top of the previous ones.
4. Continue adding more squiggles to fill in the tree.
