CONGREGATIONAL CHURCH

Open & Affirming, Multicultural, Just Peace, Environmentally Conscious

YEAR-AT-A-GLANCE 2017-18

Opportunities and Events for All

10 Woodland Street
Hartford, CT 06105

Dear Friends,

Welcome to our Year-At-A-Glance and to the upcoming program year at Immanuel Congregational Church, United Church of Christ! We are so excited about the many opportunities to serve, learn, grow, and experience joy here at the church. We know that God gifts us in many different ways and calls us to many different forms of ministry. And so, we have this document, so that each of us can explore where God is calling us to engage with this congregation as we seek to be luminous with God's love.

Are you called to offer your gifts in worship, as a deacon, usher, liturgist, or musician? Are you called to deepen your spirituality through a book study, a Circle of Faith, or a Lenten Learning Series? Has God gifted you with compassion and called you to explore our Called to Care program? Does ministry with young people spark your interest? Are you looking for opportunities for your children or youth? Are you seeking service opportunities with Social Action and Mission? Does partnership with the global church interest you? Are you passionate about advocating for LGBT rights or working on racial justice? Is God calling you to fun activities of fellowship, so that you can deepen your relationships with people in this beloved congregation? How are you called to give your money, time, and talents? How are you called to grow? What makes you come alive?

Frederick Buechner writes, "The place God calls you to is the place where your deep gladness and the world's deep hunger meet." There is a hunger in the world for deeper human connection, for genuine worship, for justice, for peace, for change. And God is calling us to find where our deep gladness meets that deep hunger. And so we invite you to peruse these pages, and find what excites you. What do you want to do more deeply engage your faith, serve your community, connect with one another, and find that joy that God offers?

Whether you are brand new to Immanuel, or have been at the church for decades, I hope that you will find something exciting in these pages. Please do follow up with questions, attend some events, and engage in a new way. Why not take a risk and try something new? You can always contact me at kari.nicewander@iccucc.org or Sue Fisher at admin@iccucc.org for more details. We are delighted to help you connect to the places and opportunities where your deep gladness meets the world's deep hunger.

Let us enter into this upcoming year in joy, in service, and in praise. I am so excited to see what God has in store for us!

God bless,

Rev. Kari Nicewander

Christian Kids! Sunday School: Sundays, 10-11:15am

Our Christian Kids! Sunday School gathers on Sunday mornings at 10am in the Sanctuary from September through May. Children in pre-K through 6th grade are invited and encouraged to begin their educational experience in worship with their families, participate in an interactive Children's Message and then attend creative activities that teach major Bible stories and Christian concepts until 11:15am. Families are invited to share in a time of fellowship after their children are picked up from Christian Kids!

Our Christian Kids! ministry utilizes a rotation style of curriculum in which the Bible story or Christian concept is taught for multiple weeks consecutively using a variety of creative activities. These can include art, science, music, video, games, cooking, drama, puppetry, storytelling and computers. Repeating the story for multiple weeks and using a variety of creative workshop learning experiences ensures that every child has the ability to learn according to their individual learning style. The themes that we plan to cover this year are: Wonder Women of the Bible, the Parables of Jesus, Generosity, Jesus Is Born, Samuel, Gender Equality, the Ten Commandments, Breakfast on the Beach, and the Greatest Commandment.

In addition to worship and workshop learning, our young people participate in service projects both during the educational Sunday morning time and after worship. Children love to bake goodies and create birthday cards that are shared at Immanuel's monthly birthday parties held at the Marshall House. And our elders in the community love to see our smiling faces donned in Halloween costumes when we march across the street to visit the residents of the Immanuel House. Other projects involve assisting with the Rawson School mitten tree assembly and sharing our monetary gifts to sponsor animals and education to end poverty and hunger through Heifer International.

Immanuel Refugee Team

A group of Immanuel members came together in late 2015 to find a way that our church could engage directly in some aspect of the worldwide refugee crisis. Working in collaboration with Catholic Charities of the Hartford Diocese, a group of about thirty volunteers have come forward to help with various aspects of helping newly-arrived refugee families settle and prosper in the Hartford region. The first family co-sponsored by Immanuel and Catholic Charities arrived in early July, 2016. *For more information about the ICC Refugee Team, contact coordinators Dan Conable, danconable1@gmail.com, or Dick Londergan, richard.londergan@sbcglobal.net.*

In honor of the late Dan Pettengill's commitment to social justice advocacy, the Social Action and Mission Committee periodically convenes an informal group open to all, to explore opportunities for advocacy on public policy issues. In the fall of 2016, we formed the LGBTQ Task Force as a way to expand that welcome to LGBTQ people and deepen our commitment to LGBTQ issues beyond our church walls. The group, which meets occasionally and is open to all, focuses on the following areas:

- Education: Educating ourselves about LGBTQ issues
- Outreach: Reaching out to the community and being more visible as an Open & Affirming congregation
- Advocacy: Working to change laws and policies that improve the lives of LGBTQ people

To be included in email announcements of these meetings, contact Anne Stanback, annestanback@gmail.com.

STEWARDSHIP OPPORTUNITIES

“God has shown you what is good. She has told you what is required of you. You must act with justice. You must love to show mercy. And you must be humble as you live in the sight of your God.” Micah 6:8

We welcome your consideration of this scripture as you consider your stewardship pledge of support for Immanuel's 2018 campaign. The gifts of Ministry, Mission and Music are in abundance here and each of us knows how those gifts speak to us individually.

In return, our gifts of time, treasure and talent are needed to keep this Just Peace, Open and Affirming, God-centered community going forward. We have done much and we have much yet to do. God has shown us what is good. God has told us what is required. Together, let us act for justice and show mercy. Let us be humble and let us all be generous in our giving.

Our Stewardship Campaign drives our budget formulation

- Our Campaign will launch on Sunday October 8th and wrap up on Sunday November 12th
- We are seeking an increase in pledging dollars of 10% over last year to meet budget projections
- Campaign success will erase the need for annual fundraisers and encourage more fun-raisers
- We will reach out to you in person
- We invite you to join the Immanuel Legacy Circle by naming Immanuel in your estate plans
- We need those who are not pledgers to become pledgers so we can count on your gifts
- Through Stewardship we seek to strengthen connection, build relationship and display faith

We are grateful for the gifts you bring and for helping Immanuel answer God's call.

MISSION TRIP/PARTNERSHIP COMMITTEE OPPORTUNITIES

“Rise, let us go from here.” John 14: 31

The Partnership Committee

In the summer of 2016 (July 30 – August 7, 2016) 16 members of Immanuel traveled to the Czech Republic to take part in the 16th International Partnership. The theme “The Church Is Permanently Reforming” resulted in the sharing of each church’s individual timeline as well as discussion. Worship, travel, shared meals, fellowship and more created new friendships and strengthened existing bonds—a testament to the power of this conference. There is a great deal of sharing now on Facebook among the many new and old friends. It was truly thrilling to hear Kari’s Sunday message after the conference, and also, to hear individual’s comments about their experiences. Neil Montlick’s posted photographs also helped us share in the wonderful events. Various Immanuel members returned with plans to attend either the Youth Conference to be held in Purley in July, 2018 and/or the 17th International Partnership Conference to be held in Dessau, Germany in July of 2019. Second hours sharing past and upcoming conference information will be scheduled, as well as fundraising for airfare scholarships. Partnership is not covered within the church budget, but enabled by those attending and the generosity of those giving donations and supporting fundraisers. It is open to all.

At this point, youth (12 – 21) might seriously consider attending the Youth Partnership in Purley, England next summer. The dates will be Saturday July 21st to Sunday July 29th. The theme of the week will be 'The Fruit of the Spirit', Galatians 5. The week will be divided between host families in Purley and a few nights away together as a group. Some of the trips include a three-night stay at Blackland Farm, a trip to the seaside town of Brighton, a day trip to London, a day trip to Hever Castle, and an optional trip to the Harry Potter Studio (additional fee). Participants pay for their airfare, and a 100 EURO conference fee, which covers meals, admission fees, etc. Most will experience new sights, new experiences, and above all, new friendships that are truly special.

Partnership is an institution in which Immanuel Congregational Church has long had a part, growing out of an interest in reconciling opposite sides after WWII. Churches in Purley in England, Dessau in Germany, Speyer in Germany, Ostrava in the Czech Republic, and Belfast in Northern Ireland have met together every three years to study a variety of topics, renew old friendships and make new ones, and just learn about each other’s cultures by living and playing together. Conference themes have included God’s Creation — Our Vision and Living Faith — Growing Community, exploring diverse faith communities and their work and institutions in the broader society. The challenges faced today among all our churches have shown the important role Partnership can play in our lives as we explore paths toward peace and justice in the wake of events concerning race, refugees, sexuality and the economy.

The Partnership Committee consists of Linda McNair (chair), Bob McNair, Sally Taylor, Barbara Gordon, Greg Gordon, Avery Buell, Eileen Buell, and Scott Reeves.
