

## Warranty Policy – Quatic / Float Tech ® inflatable life jacket

**Quatic / Float -Tech® inflatable life jacket** is designed for use as intended by and in accordance with the product Owner's Manual and is warranted to be free from defects in materials and workmanship pursuant to the terms of this Warranty Policy. If a customer (End User) is not satisfied with the product within 60 days of purchase, we will exchange it upon receipt of the previously purchased jacket. FT Systems, Inc. will not be obligated to accept any returns of products submitted more than 60 days after the date of the retail receipt issued by the merchant ( Date of Purchase).

The outer shell (Jacket) of this product carries a 1- year product warranty from Date of Purchase by the End User. The inflatable liner, bladder assembly, and inflation mechanism components, which are integral parts of this product, must be used together, (Flotation Components). The Flotation Components carry a 1- year product warranty from the Date of Purchase.

These warranties cover products in the event they are found to contain manufactured defects which prevent the product from being used for its intended purpose. Except as otherwise set forth below, FT Systems, Inc. will replace or service these components at no charge if the product is found to be damaged or defective, by the sole discretion of FT Systems, Inc., in its sole discretion may also choose to repair or replace these components. Note: rearm components – bobbin, CO<sub>2</sub> canister, & indicator pin are not included in any express or implied warranties.

Damage to products which, in FT Systems, Inc. reasonable judgment, appear to have been from excessive wear, from having been subjected to abuse, or usage for purposes other than that which was intended, will not be covered by any implied warranties or this Warranty Policy.

Product registration is an important part of our customer service. We require all End Users to register their product in order to validate all warranties. Failure to register this product will result in all express and implied warranties being void.

Except for the foregoing warranties, there are no other express or implied warranties. No oral or written information or advice given by FT Systems, Inc. or its agents, employees or representatives will create a warranty or in any way increase the scope of the foregoing warranty. To the extent applicable law requires FT Systems, Inc. to provide other implied warranties then the implied warranties so required shall be applicable for the term of this warranty policy. Notwithstanding the foregoing, you may also have other rights under applicable state law, to which you will remain entitled.

By purchasing this product, the End User fully acknowledges that activities in which **Quatic / Float -Tech® inflatable life jacket** may be used could be inherently dangerous & life-threatening. Not life vest alone can guarantee the prevention of injury or death.

FT Systems, Inc. reserves the right to modify products, features & return policies at any time.
