PRIMARY ACADEMIC APPOINTMENTS

Professor, Department of Economics, University of Zurich (2011-present)

Professor, Department of Social and Decision Sciences, Carnegie Mellon University (2010-2011).

Associate Professor (with tenure), Department of Social and Decision Sciences, Carnegie Mellon University (2007-2010).

Associate Professor (without tenure), Department of Social and Decision Sciences, Carnegie Mellon University (2005-2007).

Assistant Professor, Department of Social and Decision Sciences, Carnegie Mellon University (1999-2005).

OTHER APPOINTMENTS

Fellow, CESifo Research Network, Munich (2011-present)

Fellow, Strategy Research Initiative (2015-present)

Member, Strategy Research Initiative (2011-2015)

Affiliate, Economic Science Institute, Chapman University (2015-present)

Visiting Professor, School of Business and Economics, Maastricht University, The Netherlands (October, 2013)

Faculty Appointment by Courtesy, Tepper School of Business, Carnegie Mellon University (1999-2011).

Affiliated Faculty, Pittsburgh Experimental Economics Laboratory (PEEL), University of Pittsburgh (2001-2011).

Affiliated Faculty, Center for Behavioral Decision Research (CBDR), Carnegie Mellon University (2005-2011).

Visiting Researcher, Institute for Economic Analysis, Bellaterra, Spain (2006).

EDUCATION

California Institute of Technology, Division of Humanities and Social Sciences. Ph.D., 2000 (Social Science). Thesis: Interdependence in Laboratory Groups and Organizations. Committee: Colin Camerer (Chair), Richard McKelvey, Thomas Palfrey, David Grether.

California Institute of Technology, Division of Humanities and Social Sciences. MS, 1996 (Social Science).

Texas A&M University. BA, 1994 (Economics).

PEER-REVIEWED PUBLICATIONS

GRANTS AND AWARDS

- Swiss National Science Foundation. 2016-2019. Principal Investigator. "Social Responsibility in Markets." CHF 456,678 (\$475,962).
- Swiss National Science Foundation. 2014. Principal Investigator. "Workshop: New Frontiers in Behavioral and Experimental Economics." CHF 12,250 (\$13,735).
- Swiss National Science Foundation. 2014-2016. Principal Investigator. "Gender, Context and Economic Decision Making." CHF 412,833 (\$462,284).
- Swiss National Science Foundation. 2012-2014. Principal Investigator. "Leadership Across Economic Contexts." CHF 335,702 (\$366,192).
- Foundation for Scientific Research (Stiftung für wissenschaftliche Forschung), University of Zurich. 2012-2013. Co-Principal Investigator (with Björn Bartling). "Strategic Ignorance in Markets." CHF 25,920 (\$28,274).

National Science Foundation. 2010-2011. Principal Investigator. “Workshop: The Future of Decision, Risk, and Management Sciences.” \$89,235.

National Science Foundation. 2010-2011. Principal Investigator in supervision of doctoral student Peter Kriss. “Doctoral Dissertation Research in DRMS: Costly Communication and Coordination in Organizations.” \$6,894.

Center for Analytical Research in Technology, Carnegie Mellon. Co-Principal Investigator (with Shimon Kogan and Don Moore). 2006-2007. “How Can Internal Markets Help Firms Make Better Decisions?” \$86,800.

CyLab, Carnegie Mellon. 2005-2007. Principal Investigator. “Coordinated technology adoption and threat responses.” \$27,790.

National Science Foundation. 2004-2008. Co-Investigator (Principal Investigator: Baruch Fischhoff). “Integrating risk analysis and risk communication.” \$600,000.

Center for Organizational Learning and Innovation, Carnegie Mellon. Principal Investigator. 2004. “Reflective learning and transfer of learning in games.” \$6,780.

Russell Sage Foundation. Co-Principal Investigator (with Robert Slonim). 2004. “Workshop on New and Alternative Directions for Learning.” \$11,820.

Berkman Faculty Development Grant, Carnegie Mellon. Co-Principal Investigator (with Bill McEvily). 2003. \$4,800.

National Science Foundation, SES-0095570. Co-Principal Investigator (with Colin Camerer). 2001-2004. “Collaborative research: An experimental approach to organizational culture.” \$198,000 (\$130,098 to Carnegie Mellon).

Berkman Faculty Development Grant, Carnegie Mellon. Principal Investigator. 1999. \$9,800.

Sloan Dissertation Fellowship. 1998-1999.

Ford Foundation Minority Fellowship. 1997-1998.

Russell Sage Foundation, Small Grants Program in Behavioral Economics. Principal Investigator. 1997. “Experiments on iterated rationality.” \$2,500.

PROFESSIONAL SERVICE

Associate Editor, *Management Science* (2006-2010, 2011-present)

Editorial Board, *Experimental Economics* (2012-present)

Editorial Board, *Journal of the Economic Science Association* (2014-present)

Editorial Board, *The Leadership Quarterly* (2014-present)

Editorial Review Board, *Organization Science* (2004-2016)

Associate Editor, *Journal of the European Economic Association* (2009-2015)

Executive Committee, Economic Science Association (2010-2013)

Editorial Board, *Organizational Behavior and Human Decision Processes* (2007-2010)

Reviewed manuscripts for *Academy of Management Review*; *American Economic Journal: Microeconomics*; *American Economic Review*; *American Journal of Political Science*; *American Law and Economics Review*; *American Political Science Review*; *B.E. Journal of Theoretical Economics*; *Cognitive Psychology*; *Complexity*; *Computer Supported Cooperative Work*; *Cuadernos de Economía (Spanish Journal of Economics and Finance)*; *Current Anthropology*; *Economica*; *Economics and Philosophy*; *Economic Inquiry*; *Economic Journal*; *Economics Letters*; *Economic Theory*; *Econometrica*; *Energy Policy*; *Ethical Theory and Moral Practice*; *Ethics and Behavior*; *European Economic Review*; *Experimental Economics*; *Games and Economic Behavior*; *Group Dynamics: Theory, Research and Practice*; *Interaction Studies*; *Interfaces*; *International Economic Review*; *International Journal of Game Theory*; *International Journal of Industrial Organization*; *Journal of Behavioral Decision Making*; *Journal of Business Economics*; *Journal of Economic Behavior and Organization*; *Journal of Economic Theory*; *Journal of Economics, Management & Strategy*; *Journal of the European Economic Association*; *Journal of Experimental Social Psychology*; *Journal of Labor Economics*; *Journal of Law, Economics & Organization*; *Journal of Marketing Research*; *Journal of Political Economy*; *Journal of Politics*; *Journal of Public Economics*; *Journal of Sports Economics*; *Learning and Instruction*; *Management Science*; *Manufacturing and Service Operations Management*; *Nature*; *Naval Research Logistics*; *Organization Science*; *Organizational Behavior and Human Decision Processes*; *PLOS ONE*; *Politics, Philosophy & Economics*; *Proceedings of the National Academy of Sciences*; *Quarterly Journal of Economics*; *Rationality & Society*; *Review of Economic Studies*; *Risk Analysis*; *Southern Economic Journal*; *Strategic Management Journal*.

Distinguished Service Award, *Management Science*, 2013

Excellence in Refereeing Award, *American Economic Review*, 2011

Reviewed book manuscripts for Cambridge University Press, Princeton University Press

Reviewed proposals for U.S. National Science Foundation, Swiss National Science Foundation, Academia Sinica, Academy of Sciences of the Czech Republic

Co-editor, Special Issue of *Experimental Economics* on Behavioral Economics. 2006.

Co-Organizer, Workshop on the Behavioral Economics of Financial Markets, June 2016, Zurich

Co-Organizer, International Conference on Social Norms and Institutions, Congressi Stefano Franscini (CSF) of ETH Zurich, May 2015, Ascona

Organizer, Workshop on New Frontiers in Behavioral and Experimental Economics, August 2014, Zurich

Organizer, Workshop on Norms and Cooperation, August 2013, Zurich

Organizer and Chair of Program Committee, Annual Meeting of the Swiss Society for Economics and Statistics, April 2012, Zurich.

Organizer, Workshop on Future Directions for Decision, Risk and Management Sciences Research, May 2011, Pittsburgh.

Organizing committee. Behavioral Decision Research in Management Conference, June 2010, Pittsburgh.

Co-organizer, Workshop on New and Alternative Directions for Learning Research, August 2004, Pittsburgh.

Organizing committee, Annual Meetings of the Economic Science Association, June 2003, Pittsburgh.

CONFERENCES AND PRESENTATIONS (* - Invited Presentation)

2016-2017

- * Stanford Institute for Theoretical Economics, Stanford University
- * CESifo Area Conference on Behavioral Economics, Munich, Germany
- * Workshop on Social Preferences and Incentives, University of Nottingham
- * Department of Economics, Hamburg University

2015-2016

- * Faculty of Management, Economics and Social Sciences, University of Cologne
- * Workshop on Behavioral Game Theory, University of East Anglia
- * MaXLab Day 2016 Workshop, University of Magdeburg
- * Department of Economics, New York University
- * 4th Winter School in Behavioral Economics and Experimental Research, Champéry, Switzerland
- * Faculty of Business and Economics, University of Basel
- * Seminar in Economics and Political Science, INSEAD, Fontainebleau, France
- * Workshop on Experimental Organization Science, Frankfurt, Germany
- North American Meetings of the Economic Science Association, Dallas, United States
- * Department of Economics, University of California at Irvine
- * Economics Science Institute, Chapman University

2014-2015

- * CREED / Tinbergen Institute Seminar, University of Amsterdam
- * University of Pittsburgh, Department of Economics
- * CESifo Area Conference on Behavioral Economics, Munich, Germany
- * Berlin Behavioral Economics Seminar, Humboldt University
- * Department of Economics, Stanford University
- * Department of Economics, University of California at Berkeley
- * Rady School of Management, University of California at San Diego
- * Department of Economics, University of Copenhagen
- * European University Institute, Florence, Italy
- * Groupe d'Analyse et de Theorie Economique (GATE), Lyon, France
- * WZB Workshop on Behavioral Foundations of Corruption and Unethical Behavior, Berlin, Germany
- * Department of Economics, Stockholm School of Economics

- * Self-deception, Self-signaling, and Self-control Workshop, Institute for Advanced Study, Toulouse, France
- * Hanqing Advanced Institute of Economics and Finance, Renmin University, China
- * RISS 13th International Conference & CEE 1st International Conference, Frontiers in Experimental Economics, Kansai University, Japan
- * Workshop on Experimental Economics, Kyoto University, Japan

2013-2014

- * First Swiss Young Researcher Workshop in Behavioral Economics and Experimental Research (keynote presentation), University of Lausanne
- * Department of Economics, Lund University
- * Workshop on Experimental Organization Science, Frankfurt, Germany
- * Department of Economics, University of Maastricht
- * Department of Economics, University of Bologna
- * Department of Economics, Cornell University
- * School of Economics, Renmin University, Beijing
- * Fourth Annual Xiamen University International Workshop on Experimental Economics (keynote presentation), Xiamen
- * Department of Economics, Tilburg University
- * Economics and Psychology Seminar, Paris School of Economics
- * London Experimental Workshop, Middlesex University
- * Workshop on the Future Directions for Behavioral Economics Research in Dishonesty, University of Copenhagen
- * School of Management, Yale University
- * Workshop: Political Theory meets Experiment, ETH Zurich
- * Department of Management and Microeconomics, University of Frankfurt

2012-2013

- * Amsterdam Symposium on Behavioral and Experimental Economics, University of Amsterdam
- * Workshop on Experimental Economics, University of Vienna
- * LATSIS Symposium, "Economics on the Move," ETH Zurich
- * Murat Sertel Center for Advanced Economic Studies, Bilgi University Istanbul
- * Department of Economics, Bilikent University
- * Department of Economics, Royal Holloway University of London
- * CESifo Area Conference on Behavioral Economics, Munich, Germany
- * Department of Organizational Behavior, University of Lausanne
- * Managerial Economics and Strategy Seminar, London School of Economics and Political Science
- * Department of Economics, Shanghai University of Finance and Economics
- * Fourth International Workshop on Behavioral Operations Management (keynote presentation), Chengdu, China
- * Department of Economics, Nottingham University
- * Department of Economics, University of Birmingham
- * Max Planck Institute for Collective Goods, Bonn, Germany
- * Department of Economics, University of Konstanz
- * European Workshop on Experimental and Behavioral Economics, Frankfurt, Germany
- * Department of Economics, University of East Anglia

* Norwegian School of Economics, Bergen, Norway
International Conference on Social Dilemmas, Zurich, Switzerland

2011-2012

* Workshop on Communication in Games, University of Zurich
* Game Theory and Society Conference, ETH Zurich
* CESifo Area Conference on Behavioral Economics, Munich, Germany
* Department of Decision Sciences, Bocconi University
* Institute of Economics, Heidelberg University
* Berlin Behavioral Economics Seminar, WZB Berlin
* Department of Economics, University of Innsbruck
International Meeting on Experimental and Behavioral Economics, Castellon, Spain
* Workshop on The Social Dimension of Organizations (keynote presentation), Central
European University, Budapest, Hungary
* Department of Economics, University of Maastricht
* Department of Business Economics, Universitat Autònoma de Barcelona
International Meeting of the Economic Science Association, New York, New York

2010-2011

* School of Management, Yale University
* Department of Economics, University of Arkansas
* Strategy and the Design of Organizational Architecture Conference, Harvard Business
School (invited discussant)
North American Meetings of the Economic Science Association, Tucson, Arizona
Southern Economic Association Meetings, Atlanta, Georgia
* Organizational Learning, Innovation and Knowledge Workshop, Center for Learning
and Innovation in Organizations, Carnegie Mellon University
* School of Information, University of Michigan
* Graduate School of Business, Columbia University

2009-2010

* Institute for Empirical Research in Economics, University of Zurich
* NBER Meeting on Relational Contracts, Cambridge, Massachusetts (invited discussant)
* Department of Economics, University of Bonn
* Conference on Experiments in Organizations, Rotterdam, The Netherlands
* Organization Studies Group, Massachusetts Institute of Technology
Application of Behavioral Economics to Climate Change, New York (invited participant)

2008-2009

* Conference on Experimental Social Sciences, Washington University
Economic Science Association, Tucson, Arizona
* Department of Economics, New York University
* Alhambra Experimental Workshop, Granada, Spain
Allied Social Science Associations Meetings, San Francisco, California
* Center for Interdisciplinary Research on Teams, Carnegie Mellon University
* Department of Economics, Harvard University
* Rotman School of Business, University of Toronto
* Department of Economics, Ohio State University
* Olin School of Business, Washington University

- * Behavioral Economics Conference, Berkeley, California
- Econometric Society, Cambridge, Massachusetts
- * Workshop on Psychology and Neuroeconomics, Toulouse, France

2007-2008

- * Department of Psychology, University of Pittsburgh
- Economic Science Association, Tucson, Arizona
- Society for Judgment and Decision Making, Long Beach, California
- * Division of Humanities and Social Sciences, California Institute of Technology
- * NBER Meeting on Corporate Finance, Cambridge, Massachusetts (invited discussant)
- * The School of Management, University of Texas at Dallas
- * Department of Economics, Cornell University
- * Interdisciplinary Center for Economic Science, George Mason University
- Economic Science Association, Pasadena, California

2006-2007

- Academy of Management Meetings, Atlanta, Georgia
- Economic Science Association, Tucson, Arizona
- Southern Economic Association Meetings, Charleston, South Carolina
- * Conference on Prediction Markets in Marketing, Penn State University
- * Department of Economics, University of Pittsburgh
- Conference on Identity, Innovation, and Learning, Carnegie Mellon University

2005-2006

- * University of Wisconsin, Department of Economics
- Annual Meetings of the Society for Judgment and Decision Making, Toronto, Canada
- * Institute for Economic Analysis, Bellaterra, Spain
- * Conference in Honor of Ray Battalio, Texas A&M University
- * York University, Department of Economics
- * Nottingham University, School of Economics
- * Universtitat Pompeu Fabra, Department of Economics and Business

2004-2005

- * Stanford Institute for Theoretical Economics, Stanford University
- Workshop on New and Alternative Directions for Learning, Pittsburgh, PA
- International Meetings on Experimental and Behavioral Economics, Cordoba, Spain
- * Workshop on Egalitarian Behavior, Oslo, Norway
- Economic Science Association, Montreal, Canada

2003-2004

- Society for the Advancement of Behavioral Economics, Lake Tahoe, NV
- * Texas A&M University, Economics Department
- * Case Western Reserve University, Department of Economics
- * University of California at Berkeley, Department of Economics
- Carnegie Mellon University, Graduate School of Industrial Administration
- Annual Meetings of the American Economic Association, San Diego, CA
- * Princeton University, Department of Economics
- * Emory University, Department of Economics
- Annual Meetings of the Strategy Research Forum, Toronto, ON

Economic Science Association, Amsterdam, The Netherlands

2002-2003

Carnegie Mellon University, Graduate School of Industrial Administration

* University of California at Los Angeles, Anderson School of Business

* University of Pittsburgh, Department of Economics

Public Choice Society / Economic Science Association, Nashville, TN

* Conference on Leadership and Social Interaction, Lyon, France

* Duke University, Fuqua School of Business

Economic Science Association, Pittsburgh, PA

2001-2002

Carnegie-Bosch Conference on Managing Knowledge in Organizations, Pittsburgh, PA

Economic Science Association, Tucson, AZ

* University of Pittsburgh, Department of Economics

Public Choice Society / Economic Science Association, San Diego, CA

* Harvard University, Harvard Business School

* Conference on Bounded Rationality and Behavioral Learning, Aix (Provence), France

Economic Science Association, Boston, MA

2000-2001

First World Congress of the Game Theory Society, Bilbao, Spain

MacArthur Foundation Preferences Network meetings, Los Angeles, CA

1999-2000

Carnegie Mellon University/University of Pittsburgh, Groups & Organizations Seminar

* Pennsylvania State University, Smeal College of Business

Behavioral Decision Research in Management Meetings, Tucson, AZ

Economic Science Association, New York, NY

1998-1999

Economic Science Association, Tucson, AZ

Society for Judgment and Decision Making, Dallas, TX

* University of Arizona, Department of Management and Policy

* London Business School, Strategic Management Department

* University of Southern California, Marshall School of Business

* University of Pennsylvania, The Wharton School

* Carnegie Mellon University, Social and Decision Sciences

* Harvard University, Harvard Business School

* Northwestern University, Kellogg Graduate School of Management

* Carnegie Mellon University, Graduate School of Industrial Administration

* University of Chicago, Graduate School of Business

* Stanford University, Graduate School of Business

1997-1998

American Economic Association, Chicago, IL

* Stanford GSB Conference on Strategic Management, Stanford, CA

Public Choice Society / Economic Science Association, New Orleans, LA

Behavioral Decision Research in Management Meetings, Miami, FL

Academy of Management, San Diego, California

1996-1997

Economic Science Association, Tucson, AZ
Judgment and Decision Making, Chicago, IL
Public Choice Society / Economic Science Association, San Francisco CA
Econometric Society, Pasadena CA
Russell Sage Behavioral Economics Summer Conference, Berkeley, CA
Academy of Management, Boston, MA

1995-1996

Public Choice Society / Economic Science Association, Houston, TX

DOCTORAL STUDENT DISSERTATION COMMITTEES

Florian Engl (chair), University of Zurich, Department of Economics, Ph.D. 2015
Lea Cassar (chair), University of Zurich, Department of Economics, Ph.D. 2015
