We are Women In Sports Law

WISLaw is an international, non-profit association, based in Lausanne, Switzerland, that unites women from 30 different countries who specialize in sports law.

Our aim is to promote women in the sports law sector through regular educational programs and networking events. We also want to raise awareness of the participation of women in the sports law sector through the publication of annual reports.

We regularly hold small-scale meetings in different countries where we discuss sports-law specific topics in an informal setting (# Women Talk Football, # Women Talk Doping & # Women Talk Sports, depending on the topic).

We also have purely networking events / gatherings of our members at major sports law conferences.

Who can become a Member?

Both women and men are welcome to attend our events (subject to space availability). In accordance with our WISLaw Statutes, only women can become active members of our association.

As per our WISLaw Statutes, all women active – or interested in sports law are welcome to join our association. Men who wish to participate in WISLaw activities are welcome to join us as “friends of the association”. Please send an email to info.wislaw@gmail.com if you are interested in supporting our initiative in any way you deem fit!

Why Become a WISLaw Member?

All WISLaw members receive our monthly Newsletter and get an invitation to all our programs and events. Also, WISLaw members become part of our international network of Women In Sports Law & appear on our WISLaw members’ directory, which showcases our members’ expertise.

Our meeting at the CAS in Lausanne, on Dec. 8, 2016:

Many renowned women from the sports law field have already joined WISLaw and actively support our initiative. We have a rapidly-growing network including notable women from the following sectors:

- National & International Sports Federations (e.g. FIFA)
- The International Olympic Committee
- The World Anti-Doping Agency
- The legal practice (national & international)
- The Court of Arbitration for Sport
- The Academia (e.g. sports law Professors)
