CELEBRATING 50 YEARS OF NATIONAL STAGE RALLYING IN THE UNITED STATES!

*In 1973, the Sports Car Club of America (SCCA) sanctioned the first Pro Rally National Championship in the U.S. There were seven events in that inaugural championship, starting with the Sno Drift rally in Michigan in January and finishing in December with the Rally Du Noir in Alabama. In between, competitors raced in the Pacific Northwest at the Olympus Rally, at Big Bend Bash in Texas, the Nor'Wester in Washington, the **Sunriser 400 in Ohio**, and at the La Jornada Trabajosa in California. It truly was a national championship, an achievement that happily coincides with the World Rally Championship, which shares the same duration of 50 years of competition.*
