### *Thought 4 The Day*

Do or do not. There is no try.

### **Prayers & Palanca**

The funeral services for **Cheryl Merrick (Rev. Fred Merrick's wife)** will be

We are having a funeral mass February 24 for **Duncan Fife** at 11 a.m. at the Woodside Priory Chapel. 320 Portola Road, Portola Valley, CA Everyone is invited. There will be a reception to follow.

**Robin Sands Fife**

Please pray for **Jonathan Dacanay**, the Head Cook of the SF/SM Cursillo #988 team. Jonathan is suffering internal bleeding and has been hospitalized for more than a week.

Please pray for the Redwood Empire Cursillos in Santa Rosa. As you may have already heard, the facility (Angela Center) where Cursillos were held burned to the ground. This also affected Marin Cursillos as they had begun having their weekends at Angela Center too. Redwood Empire has found a place to hold the February men's weekend in Occidental. This, of course, is temporary. The reason being that the Men's cursillo was to begin the Thursday after the fire started. So sad for many, many people in Sonoma, Napa and Mendocino Counties. Prayers would be wonderful.

Spaces are available for both Servants (team) and Leaders at the upcoming Leadership Workshop, “We Are Called,” to be held at the Holy Redeemer Retreat Center Friday-Sunday, February 23-25. The cost is \$150, though subsidized slots are available at \$100.

The weekend is a co-ed experience with fellow Cursillistas.

Unlike your first Cursillo weekend experience, you may actually repeat your participation in a Leadership Workshop and you can also participate concurrently with other team formation.

If you're interested in sharing in interactive discussions and picking up a better understanding of the Team Roles at Cursillo, the Movement's history and processes, and even get Rollo and Meditation Tips, plus, *ya know*, food, music, fun and faith,

please come!

If you'd like to be a Rector or Rectora someday, or a Head Cook job is catching your eye, or you wonder what the heck a MOSSAF is really supposed to do, please download an application on the [www.cantaelgallo.com](http://www.cantaelgallo.com) website. **News flash:** One of the Table Leaders said he needed a ride home after the meeting. "I have a brand new car but it doesn't work after dark," he said. "I put

the gear knob in D when driving in the Day. I put it in N at Night but it won't go anywhere."

**And finally:** If you have prayer requests or news about Cursillo or Cursillistas that you would like to see posted in the BARBWire, please send it to Delores De Colores c/o [Patrick@pwandersen.com](mailto:Patrick@pwandersen.com). If you know fellow Cursillistas who are not currently receiving the BARBWire but would like to, please forward their names and email addresses to the address shown above.
