

Comprehensive Incident Management and OSHA Claims Reporting with **INCIDENT TRACK®**

Improve the visibility, efficiency and accuracy of your workplace incident management system.

- Easily track all types of incidents, including near misses
- Enter an incident only once
- Document accident investigations
- Track employee injuries and time off work
- Report claims automatically
- Generate incident reports, all OSHA Logs, and First Reports of Injury
- HIPAA-Compliant
- Identify where to focus your mitigation efforts with Trending Analysis
- Track all types of claims: work-related, environmental, general liability, property, fleet and more
- Analyze loss sources to prevent incidents and near misses
- Reduce risk and losses
- Lower costs

OSHA 300 Log Reporting

Most businesses are required to complete the OSHA 300, 300A and 301 forms. These different forms have different uses and requirements within a workplace.

Use Incident Track to automate report generation.
