## The Fun Stuff...

### QUINOA

Using local produce when possible, we roast the vegetables to bring out the best flavor! We use sweet potato and asparagus (Vegan, GF, DF)

### SALADS

Romaine Lettuce □ Cucumbers and Tomatoes □ Onions

### PICKLED TURNIPS

We make these ourselves with beets turning them a deep pink color.

## SAUCES

*All made in House, we recommend all 3!*

### **White Gold AKA Garlic Aioli**

Dairy Free and delicious, goes extremely well with the chicken and quinoa.

□

### **White Sauce**

Mayo based with herbs and vinegar for a slight tang.

□

### **Hot Sauce**

Using whole dried chillies, this falls in about a med-med high spice level.
