

ABOUT THE PROCESS

Donovan uses the unique process of piezography inkjet printing and archival, museum quality paper, the prints you see are unmatched in tonal quality and gradation. The paper is 100% archival cotton paper from Hahnemühle Corporation in Germany. Donovan prints each piece, using a large-format printer with up to 7 shades of black/carbon monochromatic archival inks.

Giving each piece unparalleled contrast, richness, and depth which bring each unique moment to life in total clarity.
