FSU alumni, friends and members of the general public are invited to celebrate the Seminole 100 honorees at the University Center Club on Saturday, March 3, 2018. The evening will begin with a reception, followed by dinner and the awards ceremony.

The awards ceremony will feature the release of the final rankings and countdown of the inaugural Seminole 100.

“Each year, the Seminole 100 will showcase the fastest growing businesses owned by FSU alumni,” said Randy Blass, the executive director of the Jim Moran Institute for Global Entrepreneurship. “This is just a small representation of the vast number of FSU alumni owned businesses that play important roles as economic growth agents in communities across the country. Both on and off campus, important work is being done every day to prepare students and small business owners to become leading entrepreneurs. During the annual Seminole 100 Celebration, we will get to recognize the achievements of these select few and acknowledge the important role that universities have in creating and sustaining vibrant entrepreneurial ecosystems.”
