2019 SPONSORSHIP OPPORTUNITIES
Alumni from Florida State University are responsible for some of the most innovative and profitable businesses in the world.

The Jim Moran Institute For Global Entrepreneurship at FSU's College of Business, the FSU Alumni Association and EY are proud to recognize these incredible entrepreneurs through the Seminole 100 awards program.

Seminole 100 recognizes the 100 fastest-growing FSU alumni-owned businesses at a celebration on FSU's campus each year, during which each company learns their numerical ranking and receives their award. This event honors FSU's entrepreneurs and allows them to share valuable business insights with each other. Honorees and their businesses will also receive increased publicity and visibility via national, local and industry media exposure.
