OUR STORY: empowerHER was founded in 2013 with a very specific MISSION—to empower, support and connect girls and young women who have experienced the loss of their mothers. The empowerHER story starts with a young girl who has lost her mother. However, ours is not a story necessarily about our grief, but more so a story of how we draw strength from one another and empower one another.

We have one mission with two programs: EVENTS for GIRLS take place in tandem with a thoughtful 1:1 MENTOR MATCH PROGRAM with caring and responsible community volunteers. Events remind the girls they are not alone in their grief and mentorship gives them a strong female role model as they traverse the difficult terrain of grief. All programs and activities are provided at no charge to the family.

WHY HOST A POPUP PARTY?

YOU ARE PASSIONATE ABOUT OUR MISSION! You are probably reading this because you feel an undeniable connection to our story. Maybe you lost your mom as a young girl and you wish empowerHER existed when you were young. Or perhaps you know a family in your community touched by mother loss or simply wish to honor your mother and show your gratitude for her unconditional love + support.

YOU CAN DO THIS! You are here because you are willing to brave the waters of fundraising! You love to bring people together for a party that will not only raise critical funds (a minimum $1,000) but will spark conversation + raise awareness for empowerHER.

WE EMPOWER YOU WITH TOOLS TO BE SUCCESSFUL! We are volunteer-driven and operate with a lean staff and hope this toolKIT will give you the tools necessary to be successful! This includes ideas + inspiration, as suggestions only, and empower you to put your own spin on things!

We are unable to coordinate administrative tasks such as printing, distributing invitations, creating custom graphic design images, and the like. However, we are here to set up your fundraising page and to answer questions. We also have downloadable Assets such as social media graphics, empowerHER logos and much more!

HOSTESS with the MOSTESS™ Award: These coveted awards are given to the Top 3 Highest Fundraisers and also to the “Biggest”, “Boldest” + “Bravest” Hostesses.

LOOKING FOR IDEAS + INSPIRATION?

WHAT KIND OF POPUP WILL YOU HOST? There are no rules to what kind of party you can host! Here are some ideas to inspire you:

- **Dinner or Cocktail Party** at your home or favorite restaurant. Maybe you will book a private room and “ticket” your guest that will cover any venue fees or cost of food + drink and a built-in additional donation needed to reach your goal.

- **Bowling, Bunko, Cake-Decorating, you name it (for adults and/or children!)**. Introduce some healthy competition with a cash prize (or other) for a winning team, sell tickets to a class like cake-decorating and teach a new skill, or have a ladies night Bunko game! Incorporate a silent auction to peruse while guests are enjoying the event to increase your total raised!

- **Yoga, Cycle, Boxing, or other exercise event!** Host at your favorite gym or studio and ask the trainer/teacher/instructor to donate his/her time to leading a group in a sweat fest! Sell tickets, have a silent auction or raffle (membership to gym) to increase your total raised!

- **Fashion/Boutique/Jewelry Shows** to showcase the latest trends with proceeds to benefit empowerHER! Include raffle or silent auction items and add a signature cocktail or fun desert to nibble on while guests shop for a cause!

- **Local Band/Comedy Show**. Tap local talent and bring guests together to dance, sing and/or laugh! Again, add a raffle or silent auction and add excitement to the night!

- **Other ideas?** Thinking about a Dunk Tank? A college campus Kickball tournament? Go for it! Keep in mind your end goal to raise $1,000 after all other events costs. Keep costs low and ask local companies to donate supplies in exchange for an event sponsorship!

YOUR PARTY IS HERE!

Prepare a simple “script” to share with your guests: The thought of sharing your story with strangers or even close friends can be scary, but beautiful girl, you can do hard things! We suggest you write a simple script in advance to welcome your guests to your events. Plan a time at the event to capture everyone’s attention, thank them for coming, and also empower them by letting them know the difference their donation will make in the lives of so many girls. Here are some words we use to explain our nonprofit organization:

- “empowerHER is a volunteer-driven organization that is community-based, serving girls in the natural environment where they live and grieve. We recognize that for most girls today, the journey from a young girl into a mature young adult comes with many challenges. However, when a girl loses her mom, in addition to her own grief and sadness, she may feel isolated, and alone in her grief. This empowerHER PopUpParty is part of a nationwide initiative to promote open + honest communication about grief and loss. Your support will help open the doors for the many more girls who need us and will benefit our expansion efforts to replicate our programs in new communities across the country.

- “Our goal is strong and confident girls who stand taller when they realize they are not alone in their grief. Our wish is that all girls have their moms to walk beside them as they grow up. Sadly, we all know that some girls have no choice but to write a different story – and we - their empowerHER family - are here to empower them! For that, we are forever grateful for your support tonight!”

- “It began with a simple mission: to host an Annual Mother’s Day Retreat for teenage girls from across Massachusetts. The Retreat multiplied into what is now events throughout the year to include Cooking Classes, Yoga Events and Beach Parties, all community-based and volunteer-driven and non-therapeutic. Events remind girls they are not alone in their grief and they are introduced to other girls who are also powering through their grief. Founder Cara Belvin recognized the girls needed more than just events and were in need of additional, year-round support. Cara created the only youth mentor program in the country dedicated to girls in grief and recruits, screens, and trains adult mentors who are paired with girls up to age 24. empowerHER is funded entirely by individual and corporate donations and all programs remain at no charge to the family. Today, empowerHER serves 200+ girls across New England and is expanding into new cities and states to serve girls in our life-changing programs.

- If you are from a “Future Chapter”: tell your guests the importance of why YOU want to bring empowerHER programs: EVENTS for GIRLS and 1:1 Mentor Match Programs to your community.
