To make the quilt pictured:

You need:

- About 5-6 yards of various purples and blues fabrics.

For this quilt you will need

For border strips:

From white--you need to sew together white strips until you get these:

- 2 – 2 $\frac{3}{4}$ " x 90 $\frac{1}{2}$ " strips
- 2 – 2 $\frac{3}{4}$ " x 96" strips

Construct blocks:

For the 9 patch, using your previously cut off strip sets, construct your 9 patch blocks.

This is how your 9 patch block needs to look:

Make 200.

For your rail fence block:

Sew 2 whites and a purple to make this block:

Make 199.

For your Half Square Triangle (HST) block:

Using the pieces you have cut, and HST blocks you have constructed using your own favorite method, construct your border block so they look like this:

Make 84.

How to put together this quilt:

1. Construct your blocks as described above.
2. To make the center, using the diagram below, lay out the blocks and sew together in rows.

3. Add borders:

- Sew your longer strips to the sides of your center. Press.
- Add the shorter strips to the top and bottom
