

Mosaic Variation

101" x 101"

To make the quilt pictured:

You need:

- 6 $\frac{3}{4}$ yards of pastels
- 4 $\frac{1}{4}$ yards of white
- 1 $\frac{1}{2}$ yards of coral for border
- 3/4 yard of fabric for the binding

Note: *This quilt consists of 1 large 15.5" block that looks like this:*

Cut:

For each block you will need these pieces:

From white:

- 17 - 2"x3.5"
- 2 - 2"x2"

From various pastels:

- 28 - 2"x3.5"
- 8 - 2"x2"

Borders will be discussed under how to make this quilt.

Construct blocks:

This whole quilt top is made up of one block which looks like this:

Using your pieces that you have cut, choose a variety and make rows as shown in the diagram.

Sew each row together. There are no seams to match, so this is actually quite easy.

My quilt is made up of 36 15.5"x15.5" blocks!

How to make this quilt:

1. **Construct your blocks as shown.**
2. **Lay out completed blocks according to this diagram:**

3. **Sew blocks** together in rows and then sew the rows together. For now ignore the borders.
4. **Press well.**
5. **Add borders** (optional, obviously).

- a. The first border is white and is made of strips cut 2" x WOF. Attach to the sides, and then the top and bottom (This is totally personal preference – you can attach them in any order you wish.)
 - b. The second border, made up of strips cut 4.5" x WOF. Sew together to make long strips and then attach to the quilt, measuring through the middle of the quilt and attaching. I attach the sides first and then the top and bottom.
6. **Sandwich**, using whatever type of batting and backing you prefer
 7. **Quilt** as desired. I used a swirl and circular design.
 8. **Bind**, using whatever method you wish.

Congratulations! Your quilt is finished!
