You need:

- The pack of Old Guys Rule – a total of 4 yards of fabric, half yard of 8 different fabrics

This quilt is made up of 2 blocks which finish at 12.5”

Block 1:

- From blue: 6 – 7½” squares
- From lights (the 3 small light prints): sets of 4 - 3¾”x 7¼”, and 4 - 3¾”x 13” (a total of 12 of each size strip)

Save all the rest of your fabric for borders.

Construct the blocks:

Block 1:

1. To your blue 7½” square, sew the 3¼” x 7½” light strip.

2. Using matching strips, sew the 3¾”x13” strips to the top and bottom.
Make 6 blocks – they will finish at 13”x13” There should be 3 different “blocks” (2 of each).

Block 2:

- To your various 6½” print squares add strips of contrasting colors 1¾”x 6½” and strips of 1¾”x9” (matching strips)

- Then add your gray 2½”x 9” and 2½”x13” strips to the sides and top/bottom of the previously made squares.
