

ATTENTION: Monterey Bay Karters is pleased to announce that the weekend (8/26 and 8/27) **before** the SKUSA Prokart weekend, we will be running the same layout as the SKUSA event. This is our enduro track layout. There will be practice on Saturday 8/26 from 9 am to 5pm. On Sunday 8/27 we will hold our Race Weekend #6. For this club race, we will have a one off **\$1000 cash purse for the L206 Senior Class with \$500 to win, 2nd - \$250, 3rd \$125, 4th-\$75 and 5th-\$50.** Junior L206 will be awarded prizes for 1st, 2nd and third places. Depending on turn out, both classes may be run together but scored separate. 5-minute qualifying with 8/8/15 laps.

There is a lot of interest coming in from Prokart regulars about practice. As a result, expect a more structured practice than usual. Most likely 7 minute rounds of practice and about 5-8 groups. And on Sunday, more race groups than normal and only one round of practice of 7 minutes.

Items to note:

- Weather is projected to be in the mid 70s and sunny
- We are an Envico tire track
- Race day drivers meeting at 8:30am
- We will run practice immediately following drivers meeting
- You must clear tech to receive winnings
- **Sorry no 250s or 450s allowed. Sprint karts only.**

For info about the club and directions please see montereybaykarters.com
