80 Years of Building Lifetime Achievers!

Carver Mission: To help children and youth reach their greatest potential by providing educational, social and recreational programs in a positive, safe and fun environment.

The Carver Foundation of Norwalk is committed to ensuring that equitable access and opportunities are at the forefront of our many collaborations and our pursuit of collective responsibility. We are challenging and holding ourselves accountable to secure an excellent education for current and future Norwalk students through Carver’s three areas of focus: after school, summer and community. This is our Gratitude Report.

Carver is the largest provider of after school programs for middle and high school students in Norwalk. Carver’s Youth Development Program is conducted in the Carver Community Center, in Norwalk’s four middle and two high schools, and in Side by Side Charter School. Carver initiated a new after school program for 5th graders at Brookside and Tracey Elementary Schools in the 2017-18 academic year.

Carver has a K-5 after school program at its Community Center called CASPER that offers intensive project-based learning in science, literacy and math.

Summer programming includes Summer Enrichment (5-13-year-old students at the Carver Community Center and Columbus Magnet School); Freshman Summer Success Academies for graduated 8th-grade students transitioning into 9th grade at Norwalk and Brien McMahon High Schools; and Summer Middle School Transition for 5th-grade students transitioning into two middle schools (goal for summer 2018 is all four middle schools).

Carver Community programming includes college scholarships; parent leadership; health and wellness programming; spring and fall college tours; food drives; community holiday events and more for the benefit of the Norwalk community.

Charity Navigator and Guidestar awarded Carver their highest ratings for financial excellence and transparency. Carver operates with a written Data Sharing Agreement with Norwalk Public Schools. Since 2005, 100% of Carver seniors have graduated high school on time and nearly all become first generation college students.
In the 2016-2017 Academic Year, the Carver Foundation of Norwalk:

Operated in **9 sites**: 8 schools and in the Carver Community Center

Advanced the lives of **834 students** in after school programs

**721 students** in summer learning programs

Awarded **$74,500** to graduating high school and continuing college Carver students

Resulting in **100%** of all after school students advancing to their next grades on time

**100%** (since 2005) of Carver seniors graduating high school on time
2016-2017 Board of Directors

Diana Napier, President, Program Manager, The WorkPlace, Inc.

Jude Earl Alaba, Treasurer, Senior Manager, Deloitte & Touche LLP

Valerie Watson, Secretary, Vice President & Manager, Patriot Bank, N.A.

Oscar Villalonga, Managing Director & Global Project Finance Leader, Current of GE

Fred Wilms, Senior Vice President, Webster Bank; Connecticut State Representative, 142nd Legislative District

Richard Whitcomb, St. Luke’s School, Headmaster Emeritus

Wendy Winnick-Baskin, Retired Executive Director, Atria Darien

Charles Burns, President Emeritus

Janis Curtis, Immediate Past President
Dear Mission Partners,

As the Carver Foundation of Norwalk enters into its 80th year of service, we thank our many partners for their priceless contributions that helped shape our current programs aimed at closing the achievement and opportunity gaps for Norwalk’s children and youth. We are especially grateful for our donors, parents, students, teachers and staff, volunteers, principals, Norwalk Public Schools and Side By Side Charter School administrators, and our program partners for the countless ways they give to advance the Carver vision of “Building Lifetime Achievers.” The Carver Board of Directors also expresses its deep gratitude for what the Carver community is building throughout Norwalk.

Equity is the mindset and equality is the result for Carver students who participate in our after school, summer and community programs. All our young people, regardless of their life circumstances, deserve and receive an excellent education that helps them reach high standards of performance. By providing certified teachers, a wide range of diverse stakeholders, and thoughtful design to our programs, we are able to unlock the potential of every child.

For each Carver student to believe in and to realize her or his innate talent and value, Carver is building and sustaining programs premised on the core principles that, with the right supports and rich learning experiences, every student will meet high academic standards. Your support and friendship help our students thrive according to our hopes for them rather than being defined by the challenges, though they are many, that they face every day.

Sincerely,

Novelette Peterkin
Executive Director
After School

Personalized learning is Carver’s primary approach to helping Norwalk close the achievement gap. Carver’s Youth Development Program (YDP) served 834 students last academic year, 120 more students than the year before. Carver offers challenging, relevant, and rigorous instruction that values each student’s abilities, talents, interests, and learning styles. Carver students demonstrate their mastery through portfolios of work, exhibitions of learning, and multidisciplinary presentations. YDP programming led by certified teachers ignites student interest in learning through hands-on, project-based academic enrichment; tutoring & homework; health & wellness programs; SAT and PSAT prep; paid Internships; and college tours. Carver awarded scholarships to forty-eight graduating high school and continuing college students totaling $74,500.

This academic year, Carver has added a new data coordinator to our team to help us more closely measure the progress of each and every Carver scholar. Carver is also bringing more social-emotional learning into its programming.
Summer Learning

Carver summer programming served 721 students, 75 more students than the summer before. The educational programs included Summer Enrichment for 5-13-year-old students at Columbus Magnet School and the Carver Community Center; Freshman Summer Success Academies for graduated 8th-grade students transitioning into 9th grade at Norwalk and Brien McMahon High Schools; and the Summer Middle School Transition Program for graduated 5th grade students transitioning into the 6th grade at Roton and West Rocks Middle Schools. The Carver model for both after school and summer programs incorporates free and comprehensive use of the school facilities, including classroom space, technology resources, the gym, the library and recreational equipment, while Carver provides supplies, staffing and student transportation.
Community

Carver offers to the Norwalk community parent leadership and education programs, food drives, community holiday events and more. Carver enjoys a strong public/private partnership with Norwalk Public Schools and Side By Side Charter School. Many other partnering agencies include CT Pre-Engineering Program, Maritime Aquarium, Stepping Stones Museum, Norwalk Seaport Association, and Westport Playhouse and many others that provide in-depth, hands-on exposure to many academic and enrichment disciplines and opportunities. Carver is a member of the Norwalk ACTS, helping to implement the Collective Impact framework in Norwalk.

Volunteers

Carver engages more than 500 volunteers throughout the year ranging from groups to individuals. Carver volunteers are integrated throughout the Norwalk community and schools as they contribute to Carver’s three intense areas of after school, summer and community programs. These tutors, mentors, homework helpers, career counselors, and other skill-specific project leaders offer their support, feedback and praise. The community center utilizes individual and groups of volunteers for community events such as Career Fairs, talent contests, student and family awards ceremonies, holiday celebrations, food drives, etc. Corporate teams produce daylong events for our youth and undertake extensive renovation and cleanup projects.
Financial Review

Carver is among only 41 nonprofits in Connecticut to receive Charity Navigator’s highest rating, far exceeding industry standards for financial health, transparency and accountability to donors. Only 17 charities received the 4 Stars in Fairfield County. The only other charity in Norwalk besides Carver to receive the 4 Star rating is the Multiple Myeloma Research Foundation. Nationwide, less than 25% of rated nonprofits receive the 4 Star rating. Carver also received GuideStar’s Platinum Seal; it’s highest rating after the Bronze, Silver and Gold seals, for organizational transparency and performance measurement. GuideStar is the world’s largest source of information about nonprofit organizations.

Our Mission Partners

We asked for your help, and you generously gave it! People, foundations, companies, the City of Norwalk, and state and federal donors entrusted Carver with the many gifts listed below. Many more gave in-kind gifts that are not listed, but are just as deeply appreciated. Many hundreds of volunteers also gave of their time and talent. Our annual Child of America gala, Golf Classic, and Connections Parties rallied enormous financial support and engagement on the part of many people. Together, We Are Carver! To the world you are one person; to each Carver scholar you are the world. Thank you!
