Corporate Advisory Board
The Mississippi River Cities & Towns Initiative has formed a Corporate Advisory Board (CAB) that will meet at the Annual Meeting. The CAB is comprised of private sector entities committed to working with the Mayors to further a sustainable economy for the Mississippi River Corridor. The suggested annual contribution toward this level of partnership is $10,000.

CAB membership is geared toward those stakeholders pursuing a more innovative approach to their strategic alignments. The CAB presents members with an opportunity to engage in a more consistent format over a broader period of time than a single meeting can provide.

CAB membership grants full access to both the MRCTI Annual Meeting and Washington, DC Meeting in March for one year.

For tax purposes, financial support for "Mississippi River Cities & Towns Initiative Annual Meeting” including for direct event costs, can be provided in the form of a tax deductible contribution to the Mississippi River Cities & Towns Initiative in care of the St. Louis Development Corporation.
