Thank you for attending our webinar, Accessing the $2 Trillion Recovery Fund for COVID-19: How to Prepare for Federal Disaster Declaration Reimbursement. We hope it was a valuable session and you were able to take away useful information.

COVID-19 is an unprecedented public health emergency that has placed incredible stress on our country. As the crisis evolves, many organizations such as yours are left wondering what to do. What costs will the federal government cover, and how should you manage your emergency response efforts to make sure you get the funding you desperately need? Witt O'Brien's experts are here to help you determine how you can take advantage of public assistance funding from FEMA.

You can access the webinar materials HERE.
