

R2R 2023 Leg 2: Fairfax to Carbonado

8.0 miles on rough, secluded trail and paved road

450 foot loss

Finish in Carbonado

12.3 mi.

Runners:

- * Run down Manley Moore road, cross the bridge over the river and take the trail to the right, leading back around and under the bridge.
- * Follow the trail to Pershing Street in Carbonado.
- * Turn left and run the sidewalk past the historic Carbonado Tavern onto the Wilkeson-Carbonado Road.
- * Turn left onto Tubbs Road and follow it to the exchange area on the right.

Team captains: Assign strong runners to this long, rough and isolated leg.

Vehicles:

- * Take SR165 to the High Bridge.
- * To see your runner on the course, park at the SW (the near end) of the bridge and walk across to view the trail below NE end of the bridge. (No parking there.)
- * Follow SR165 to Carbonado and turn left onto Pershing St.
- * Follow Pershing past the historic Carbonado Tavern onto the Wilkeson-Carbonado Road.
- * Turn left onto Tubbs Road and follow it to the exchange area on the right.
