Online and Off-Site Opportunities

Even though you may not be physically at one of our locations, that doesn’t mean you can’t support our guests and residents! For more information, contact communitylife@bethesdaproject.org. Virtual and remote opportunities include:

- Holding a fundraiser or supply drive for high need items listed on pages 6-7
- Serving as a courier to transport supplies between Bethesda Project sites
- Signing up to deliver bagged meals for a Tuesday lunch
- Providing administrative support to our Community Life department
- Making cards, decorations, or activity kits for one of our sites to help cheer up guests and residents
- Signing up to become a Bethesda Pen Pal for one of our residents!
- Sponsoring a meal by ordering food from a local restaurant – also helps support the economy!
- We are also open to any ideas you may think of!

For more information, contact communitylife@bethesdaproject.org.
