

Saugatuck Nursery School Summer Camp 2017

Come join us for some summer fun! Arts, crafts, music, outdoor water play, outdoor artists' corner, special guests and exciting in-house and off campus field trips are all a part of our summer camp program for children ages 2-5. The camp runs for six weeks from June 26-August 4. Children may attend anywhere from two to six weeks, three to five days, from 9-1:30. The 2's campers will meet MWF from 9-12.

Week 1 – 6/26-6/30 – Let it Grow- Be prepared to get your hands dirty this week. We'll be planting a myriad of things to add to our gardens at home. We'll even get a visit from Jack and the Bean Stalk and act out the tale with the help of Miss Karen. Everyone will have a role.

Week 2 – 7/3-7/7 – Safari Adventure- Take a walk on the wild side! Lions and tigers and bears, Oh My!! You never know what's lurking about. Not to worry, our pith helmets and gear will protect us. Curious creatures will introduce us to some real, exotic animals.

Week 3 – 7/10-7/14 – Down by the Sea – We'll be riding that wave all week. A hands-on visit from the Maritime Center will whet our appetites.

Week 4 – 7/17-7/21 – It's Chilly in Here!- Be prepared for some frigid weather this week, as ice will surround us. Mad Science will be our in-house field trip.

Week 5 – 7/24-7/28 Playful Pets- Calling all animal lovers. This week we will be caring for our pets and making things for those less fortunate. We'll visit a real veterinarian and have a look at a mobile grooming vehicle. We may even have a visit from some furry friends!

Week 6 – 7/31-8/4 What's Cooking?- Our young chef's will be whipping up some wonderful recipes this week. We will visit some local eateries as well as hosting a real chef. Don't miss out on this scrumptious week.
