

Kitchen & Bathroom Cabinetry

Serene and Seamless

Inova Kitchen & Bathroom Cabinetry combines the ease of one-stop shopping with the beauty, efficiency, and tranquility of today's small-space lifestyle. The combination of multiple disconnected elements in a small living space can be visually jarring. Whether combined with our TableBeds, Sofa-WallBeds, CabinetBeds, WallBeds, or on their own, Inova Kitchen & Bathroom Cabinetry offers a serene and seamless visual harmony to a compact living space.

A Place For Everything and Everything In Its Place

What's Old is New Again

The notion that everything should have a place to be stored and returned to after use is not a new concept, but resonates even more in today's compact environments.

Inova, the industry leader in transformative, space-saving solutions, has brought its skill and expertise to the world of custom kitchen and bathroom cabinetry.

Case Study (at Left)

Compact units in Milwaukee micro-apartment development with a long narrow floor plan.

Entrance closet, kitchen, laundry cabinets, wardrobes, and TV are against one wall.

A TableBed provides a dining or work table during the day and a comfortable bed at night.

A sofa finishes out the living space near the sliding doors to the terrace. Alternatively, this could be an Inova Sofa-WallBed providing even more multi-functional flexibility.
