Education

Maryland Institute College of Art - Baltimore, MD
2014 - Completed 1st semester before transferring.

Rochester Institute of Technology - Rochester, NY
September 2015 - May 2018, BFA in Graphic Design

Experience

Butler/Till - Creative Intern

June 2017 - August 2017, Rochester, NY

Designer on a team of interns in a creative media agency. Worked on print and digital work for clients as well as a large project for Univera Healthcare. This included UI/UX work, visual design, and market research.

CIAS Marketing Department - Designer

December 2016 - Present, Rochester, NY

Concept and design for a range of applications including event branding, information design, and wayfinding.

HUB Print and Postal Services - Print Production

August 2015 - Present, Rochester, NY

Both front end print production (customer service, proof making, file manipulation and organization) and back end (production and finishing).

Magic Center, RIT - Lost & Found Design Team Lead

November 2015 - December 2016, Rochester, NY

An interdisciplinary project involving game developers and designers. Responsible for logo design, UI/UX & assets for mobile game, and organization of team.

Freelance Work

Various freelance projects for clients including the Annapolis Symphony Orchestra, Sydor Technologies, RIT DHSS, and the Rochester German Club.

Involvement

Thought At Work - Designer

A completely student-run design conference held at RIT. Worked on a small team that created 2017's visual direction as well as collateral for the event.

Signatures Magazine - Designer

Worked with a small design and literary team to create and publish Issue 33.
