Jane West has first hand expertise with the health and wellness benefits that come with a daily dose of CBD. We’ve partnered with established, trusted manufacturers to produce products that integrate into any lifestyle.

Our American-grown CBD products are of the highest possible quality, so customers can have peace of mind as they elevate their daily routine. Our selection is both thoughtfully sourced and always 3rd party lab tested.
Our craft coffee is infused with full-spectrum, organic, Colorado-grown CBD, delivering the well known health and wellness benefits of cannabidiol in a delicious cup of small-batch coffee. Jane West CBD Coffee is now available in two flavorful roasts that let customers enjoy the energy and fresh taste they cherish without the jitters, anxiety, or acid belly that often plague coffee lovers.

**PRODUCT HIGHLIGHTS**
- 12 ounce whole bean coffee
- 240 milligram infusion of full-spectrum CBD
- Brewing methods include drip filters, French press, Espresso, and AeroPress
- 10mg of CBD in every brewed cup
JANE WEST CBD COFFEE

(A) LIGHT

This varietal is produced exclusively by an all female coffee co-op in Costa Rica called Coopronaranjo. The medium-light roasted beans produce a rich, medium-bodied cup with well-balanced notes of almond, chocolate, stone fruit, and sweet honeyed malt.

JW.LR.1
MSRP $48

(B) DARK

Discover an earthy and bold blend of Indonesian and Yemeni beans designed to echo the famous coffees of the Dutch East Indies colony on Java. The medium-dark roast produces a lush, full-bodied cup with deep notes of darkened cherry and berries balanced with hints of chocolate and sweet spices.

When Jane West partnered with GRAV to create a signature line of glass smoking accessories, the result was bound to be unforgettable. The soft curves and bold lines of our glass collection elevate hand pipes, bubblers, and water pipes into functional works of art that compliment any decor.

The art deco inspiration for this collection shines through in 5 pieces that are each available in three lush colors. From the compact Taster to the powerful Beaker, each member of the Jane West + GRAV glass family is a sturdy statement piece that will last.
MINT COLLECTION

The opaque pastel shade of the Mint Collection will brighten up any shelf, offering a fresh look that stands out from other glass.

THE BEAKER

The Jane West Beaker reimagines the classic bong as an elegant water pipe with a striking, sophisticated appearance and superior function.

THE SPOON

No pipe silhouette is quite as comforting or familiar as a spoon pipe with a carb on the left. Jane West elevates this shape to make it more sturdy, more functional, and of course, more attractive.

– Sturdy and heat resistant 3.75” long borosilicate
– Flat bottom keeps piece stable when set down
– High capacity bowl
– Tapered ergonomic mouthpiece

THE STEAMROLLER

The bold hits and intuitive nature of the Jane West Steamroller will get the good times rolling at any sophisticated soirée.

– Sturdy and heat resistant 4.25” long borosilicate
– Raised bowl increases capacity
– Two stabilizing glass feet
– Matching tapered carb and ergonomic mouthpiece

THE TASTER

No piece is too small to be stylish. Jane West does the one hitter her way with a sleek shape that recalls a vintage cigarette holder and is exceptionally easy to load, smoke, and store.

– Sturdy and heat resistant 3” long borosilicate
– Stabilizing glass roll stop
– Tapered ergonomic mouthpiece
– Discreet and portable
