

INVASIVE PLANT DISPOSAL

Please use this dumpster to dispose of Invasive Plant Material containing flowers, fruits, seeds or root fragments that must be placed through the Digester to prevent further spread. Remove all sand/soil prior to disposal.

For information on MA Invasive Plants please scan the QR code to the right, or visit: <http://www.mass.gov>

For information about Invasive Plants on Nantucket contact the Nantucket Biodiversity Initiative: <http://www.nantucketbiodiversityinitiative.org>
