

SAINT AGNES SUMMER CAMP

Camp Spirit (June 25 - 29)

Start things off with a tour of our camp property and pool with a mix of group games and activities. Maze games, trail walks, human hungry hippos, lawn twister and trip tie dye t-shirts!

Shipwrecked (July 2 - 6, Closed July 4)

Arrg Mateys! Get ready for some pirate action with a Geocaching treasure hunt! Make your own pirate name, hat and eye patch, cannonball toss, mermaid tails, a game of musical islands and leave a message in a bottle for the next shipmate to find!

Outdoor Explorers (July 9 - 13)

Enjoy the great outdoors and help build our camp forts in the woods! Collect items for nature sun prints, colors of nature scavenger hunt, create a flower crown or leaf bug art, and take a closer look with D.I.Y. microscope slides!

Movin' & Groovin' (July 16 - 20)

Ready, set, move! Get on your feet for our group games, cosmic yoga and test your moves with Zumba, Karate and Crossfit!

Art Explosion (July 23 - 27)

Create the next great masterpiece with fence post painting, bubble art, glow in the dark paint, shadow art with homemade chalk paint, water balloon paint bombs, and splat art! Bring your best technique to our D.I.Y. Paint & Sip!

Mad Science (July 30 - August 3)

Explore how things work during this week of amazing science! Make your own simple machines, DIY bouncy balls, 3 different ways to make slime, take apart electronics to make something new, and study how oil spills affect our world.

Destination Imagination (August 6 - 10)

See where your mind can go with fairytale STEM, escape room challenges, and game design with code.org! How far can *your* imagination take you?

Edible Engineering (August 13 - 17)

Who knew science could be so delicious!? Solar s'mores, color changing lemonade, edible snot slime, make your own rock candy, and snack spaceships are just the beginning of the tasty things you can create!

Creative Kitchen (August 20 - 24)

Show off your cooking skills in our commercial kitchens! Baked donuts, soft pretzels, cinnamon tortilla chips, apple pie bites, and pancake art will leave your stomach aching for next summer fun!

Note: Follow the SPARK Facebook page to keep up to date on the fun! Search "SASspark" to find us. More information will be added as we get closer to opening day!
