

WAVES Tackle EMPLOYMENT

It's so awesome that your WAVE is going to tackle the issue of EMPLOYMENT! Here are some tips and questions to help you get started!

Step 1: Meet together and talk about employment in your community.

How do you see employment in your community?
How does it affect the people around you?

Step 2: Share ideas you have about how your WAVE can tackle this issue.

How can your WAVE tackle employment?
How can you make that idea happen?

Step 3: Grow together by looking at what the Bible says about this issue.

What does the Bible say about this issue?

Use with Story Revolution in the Handbook: [Matthew 14:22-33](#)

ISSUE: Employment

VIRTUE: Trusting in God's Wisdom

Step 4: Take action to tackle employment.

Pray and ask God to show you ideas your WAVE can do to tackle employment.

Here are three ideas you can use.

1. Ask your parents or neighbors if they know of any jobs for someone who is job searching.
2. Work with local employers to start a job fair.
3. Print job openings off and hang them around town.

Keep us updated:

1. Tell us what your WAVE is doing by filling out the MY WAVE form in the app!
2. Send pictures and videos of your WAVE tackling EMPLOYMENT to pics@wavesinaction.com, so we can share your story with other WAVES groups.
