

POSITION AVAILABLE:
URBAN DESIGN INTERN

PARTIME: 20 hrs / week

PAID: \$15/ hour

The University District Partnership (www.udistrictpartnership.org) is a non-profit organization charged with a wide variety of activities to further the growth, development and health of the community. The UDP has several standing committees focused on these activities. The Urban Design Committee is active in working on policy and design initiatives that include increased intensity, affordable housing, parks and open space, and transportation.

The UDP seeks a planning/ urban design intern to assist the Executive Director and the Committee chairs in outreach, research, coordination with the agencies and constituents. Full-time employment during the summer and part-time employment through the academic year is anticipated. Our selection will be based on interest, ability to perform, and passion for community planning and development. The ideal candidate will be in the UW Master of Urban Planning Program with an undergraduate degree in a related field.

Send a resume and cover letter to eliot@udistrictpartnership.org by May 22nd. We anticipate selecting our intern by the first week of June.

We are looking for a qualified intern to help us with outreach, research, coordination. Your application will be measured by the following criteria:

CRITERIA

1. Planning student, preferably masters program
2. Duties: outreach, research, and coordination
3. Interest in the subject matter
4. Ability to complete the work
5. Passion for the District
6. Availability to balance work and school
