

St Augustine High School

Reserved Seating Package

Every graduating senior receives **8 free general seating tickets** for the 2018 Graduation at 7 pm on Weds, May 23, 2018 at the St. Augustine Amphitheatre. If you wish to exchange those 8 tickets for Reserved Seating for your family, you can purchase a Reserved Seating package. Every other St Johns County high school has reserved seating packages for Graduation.

Why reserve your seats?

- Graduation Day will be chaotic and busy. Having reserved seats gives you one less thing to worry about.
- When your family arrives at the Amphitheatre, their seats will be waiting in their selected location.
- Mom or Dad (or both) don't have to go early to wait in line to get in to search and scramble to save seats for everybody.
- Sponsored by SAHS PTO so all money goes back into school based activities.

Reserved Seating Package Includes (minimum 4 seats, maximum 8 seats):

- Reserved seating in preferred sections of the Amphitheatre
- Seats marked by name with a held-hand fan
- Custom Jackets souvenir soft cooler, one per Package
- 1 bottle of water per reserved seat

How it works:

- Send in this “Reserved Seating Form” with payment (or receipt of payment from PayPal) for \$25 per seat.
- A PTO member will call on a first come, first served basis to guide you to select your seats starting April 10th.
- An email with your seat selection(s) will be sent to you after to confirm your selections.
- Enjoy the day with your Graduate, knowing that your seats are waiting for you when you arrive.
