What is the New York State Coalition on Elder Abuse?

The NYS Coalition on Elder Abuse is a multidisciplinary, statewide network of individuals, private organizations and public agencies working together to protect elders from abuse, neglect and financial exploitation. The Coalition was formed to implement the Action Agenda created by the 2004 New York State Elder Abuse Summit.

The Mission of the Coalition

The Coalition’s mission is to protect New York elders from abuse, neglect and exploitation and to preserve the quality of their lives.

The Strategy of the Coalition

The Coalition serves as a catalyst for change, raising awareness about the issue of elder abuse and offering solutions for prevention and intervention through education and research.

If you are interested in targeting elder abuse in New York and would like to join the growing number of people associated with the New York State Coalition on Elder Abuse, please fill out the form below.
