Family Promise in Anoka County
Our Mission:

Empowering families experiencing housing insecurity to build a foundation of lasting independence.
Who We Serve:

Families with minor children connected to Anoka County who are experiencing or may soon experience homelessness.
How We Serve:

Then: A network of local congregations who provide overnight shelter space, hospitality, and meals.
How We Serve:

Now: Shelter provided in extended-stay hotels, case management and other services continue to be provided.
Soon: A “Campus” that will allow us to have permanent housing space and a more accessible service center.
A Guiding Vision

We can design our programs and space in a way that young children will not know their family is in a homelessness program.
FAMILY PROMISE CAMPUS

More than a Shelter.
The Guest House Project

A new and simple response to housing for a homelessness program

• 8-Unit independent, fully-furnished efficiency apartments
• Secured entry to the building and to each family’s room
• Onsite laundry, computer workstation, and playroom for kids
• Case manager office/meeting room for working with program participants
• Community room and commercial kitchen for providing some meals and group programming
• Parking for 1 car per unit on-site, additional parking at Family Service Center
How it Will Work

Apartment housing while in our shelter program

• Families must meet criteria to determine eligibility:
  • Must have at least one minor child in their custody
  • Must be a resident of Anoka County (May include most recent residence, kids enrolled in an Anoka County school, or open benefits case in the county)
• Adults must pass a criminal background check
• Family must agree to program and behavioral expectations and guidelines
• Initial 30-day lease is renewed with program participation and progress toward case management goals
Proposed Site Plan

363 Coon Rapids Blvd
and
340 95th Ave
