Navistar International Corporation traces its roots back to 1831 and today produces International® brand commercial and military trucks, proprietary diesel engines, and IC Bus™ brand school and commercial buses. With more than 14,000 employees worldwide, Navistar products, parts and services are sold through a network of nearly 1,000 dealer locations in the United States, Canada, Mexico and Brazil and by more than 60 dealers in 90 other countries throughout the world.

Navistar is headquartered in Lisle in the Chicago, IL metropolitan area. Our design, development and testing activities for both trucks and engines occur at our Melrose Park facility also in the Chicago area. In addition, we have a vehicle test track located in New Carlisle, IN, and manufacturing facilities in Springfield, OH, Tulsa, OK, Huntsville, AL, and Escobedo, Mexico.

In the Operations Management Development Program (OMDP), you’ll gain a broad understanding of Navistar’s Truck Operations Group. You’ll interact with suppliers, dealers, customers, as well as cross-functional organizations within our company. In addition, you’ll have opportunities to work at our world headquarters, technology centers, and manufacturing plants throughout North America. And you’ll experience what it’s like to work with a diverse, high-performance, automotive culture.
