

RIVERWALK ACADEMY

TECHNOLOGY PROTECTION PLAN

To help sustain the technology investment and offset repair cost

Riverwalk Academy has implemented a technology protection payment plan.

The technology protection payment of \$20 will entitle the student to a one-time replacement for unintentional damage or repair. This does not cover intentional damage to the device or lost computers and/or chargers.

Families with financial hardships may be eligible for a payment waiver. We will refer to your Free & Reduced Lunch form. Please contact Mrs. Mabey at smabey@riverwalkacademy.com for more details.

All students/parents must have this completed form on file prior to a technology device being issued/used within class. Fees or other arrangements must be made by September 1, 2017.

PLEASE CHECK ONE OF THE OPTIONS BELOW AND RETURN THIS FORM TO RIVERWALK ACADEMY

- I have enclosed the \$20 technology protection payment for the 2017-18 school year.
- I would like to request a payment plan for paying the \$20 device protection. All partial payments must be completed prior to a student using a device.
- I request a waiver of the payment. I agree and release the school personnel to use my free/reduced lunch status information on file for my child (if applicable). Please do not include information regarding your hardship with this form. We will keep all information confidential and will contact you directly to discuss the waiver.

I understand that my participation in any violation of the guidelines set forth in school-owned electronic device excerpt within the student handbook, or use of internet/student responsibility will result in disciplinary action and possible loss of access privileges to such resources, depending on the nature of the offense.

Payment to be paid before September 1, 2017. Payments can be made at school or online at the Riverwalk Academy Store.

By signing below, I have participated in the parent orientation and agree to the stipulations set forth in the Riverwalk Academy student handbook and use of Internet/network use policy within the student handbook.
