### Using the civic and community spaces

1. Do you ever visit the current Civic Centre on Station Rd?  Yes  No  
If yes, what do you use it for?

If yes, how often do you go there.

2. Do you or a group that you belong to ever hire or borrow space for meetings and events elsewhere in the borough?  Yes  No  
If yes, please name your group and, if applicable, the spaces you hire and what you use them for.

3. Do you or a group that you belong to ever find that you cannot get the space you need in the borough for certain activities, meetings or events?  Yes  No  
If yes, please provide details. For example, what kind of space can't you get hold of, are there problems at particular times of day, what is the activity that lacks a space?

## Designing a new civic centre

1. **Boards 7 to 10** set out the overall vision for the new building, and some of the challenges and opportunities of site. Bearing these in mind, are there particular issues, or aspects of the design, that you think is important that the architects think particularly carefully about in order to design a new building that really work for the people of Harrow?  
Please detail these below, explaining why this are important to focus on/to get right.
  
2. **Board 9** shows some images of the architects initial thoughts about how the new civic building might look. Are there any aspects of these images that you particularly like? If yes, please detail these below, telling us why you like them.

Are there any aspects of these images that you don't like so much, or that concern or worry you? If yes, please detail these below, telling us why you dislike them.

3. Is there any other feedback you would like to give us to help us think about the design and delivery of the new building. For example, specific hopes or concerns about the project?
