HOW TO TEACH WITH THIS UNIT PLAN

It is best to set aside at least 90 minutes for a lesson. If you need to have shorter lessons, skip the basics section sometimes (but not always – basics are important!). For more tips, details, and resources, please consult www.teachbel.org.

LESSON STRUCTURE

Every time you meet with your learners, do the following:

1. Select **one warm up activity** (section I) – up to 10 minutes
2. Select **one basics activity** (section II) – up to 20 minutes
3. Select **one review activity** (section III) – up to 10 minutes
4. **Continue** where you left off in the **main activity** (section IV) – rest of your lesson time
5. **Take notes** about the lesson with the help of the **report and reflection** pages at the end

IF THIS IS THE FIRST UNIT YOU ARE TEACHING, AND YOUR LEARNERS ARE COMPLETE BEGINNERS, START AT STEP 4 FOR THE FIRST LESSON OR TWO!

I. WARM UP

Start every lesson with a warm up. Warm ups give learners the opportunity focus their minds on learning English, and they are also good buffers to account for inevitable latecomers (especially in winter!). Choose **one** of the options below, and try to use a different warm-up every time you start a lesson (you can keep track of which warm ups you have done this unit by checking a box each time you do it)!

*TIME: 5-10 minutes
(Careful – it's easy to get stuck here!)*

ACTIVITY	DETAILS & INSTRUCTIONS	<input checked="" type="checkbox"/>	RESOURCES
SAY YOUR NAME, SAY MY NAME	<p>Spelling names:</p> <ul style="list-style-type: none"> • Have learners spell their own name for you. • Write names on the board if available. • Only write the letters you hear (e.g., if learners mispronounce “i” as “e”, write “e” until they correct themselves. You may know what they mean, but make sure they actually communicate it before you write it! • As an extension activity, if learners know one another fairly well, have them spell each others’ names. 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	n/a
WHAT'S NEW WITH YOU?	<p>Making Small Talk: Ask your learners any or all of the following questions, depending on their ability, and what you know about them.</p> <ul style="list-style-type: none"> • How are you today? • How is your wife/husband? How are your children? • What's new with you? (← you will have to introduce this expression first) 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	n/a
WHAT'S NEW IN EDMONTON?	<p>Metro Activities: This activity has learners scan and search for certain kinds of images in the Metro (see instructions for teacher). Make sure you use only those questions your learners can handle – this might take some trial and error!</p> <p>*Unit-specific addition: Have learners find pictures of items that cost money in the Metro, then name them and name the prices correctly: ✓ “This is a jacket. It's \$120.”</p>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p>Metro Activities (1 copy for teacher)</p> <p>Copies of today's Metro Magazine (1 per 2 learners)</p>
SING A SONG	<p>Let's sing a song: If you enjoy singing, you can practice one of the songs in the Glee Song Manual. Feel free to select what you like depending on the mood, season, or what learners prefer. It is not necessary for learners to understand all the words in a song to enjoy singing it (and to benefit from it), since songs teach pronunciation patterns, rhythm, etc even without doing so. In fact, we would advise against explaining it all – just help your learners enjoy the sound of it (plus, there are some pictures!</p> <p>The trick to doing this successfully is to practice only a little bit at a time, and come back to these songs over the course of many units! Don't try to do it all at once.</p>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p>Glee Song Manual</p> <p>(you can find many videos helping you show the melody to the learners at youtube.com)</p>

II. BASICS

All language skills are important, but some are more fundamental than others. Those skills have to be reviewed regularly, especially with lower level learners, to provide a good foundation.

You can keep track of which basics you have reviewed this unit by checking the corresponding box each time you do one!

TIME: 10-30 minutes

PRONUNCIATION	<p>Success in Teaching Pronunciation: Do the next part of the Success in Teaching Pronunciation book (1-3 pages; whatever can be finished in 10-30 minutes). If you're not sure of your learners' needs, start at the beginning, but otherwise you can jump around and react to your learners' needs.</p>	<input type="checkbox"/> <input type="checkbox"/>	<p>Success in Teaching Pronunciation</p>
NUMBERS	<p>Success in Teaching Numbers: Do the next part of the Success in Teaching Numbers book (1-2 pages; whatever can be finished in 10-30 minutes). If you're not sure of your learners' needs, start at the beginning, but otherwise you can jump around and react to your learners' needs.</p> <p><i>HINT: At the bottom of the page, you can find the level (Literacy, Low 1, etc). This may help you select the right activities for your learners!</i></p>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p>Success in TESL – Numbers Workbook</p>
BINGO	<p>ESL Bingo: Select one of the Bingo games and play it with your learners. Note: don't assume learners will be familiar with the concept of bingo! It may take a few times of playing this for them to understand, but don't give up. Once learners become more familiar, you can appoint one of them to pull the chits and call out the numbers and letters!</p> <p><i>HINT: If you are able to print and laminate the bingo sheets once, you can reuse them over and over with dry erase or water soluble markers!</i></p> <p>***NOTE: For this unit, try to use the boards with dates, years, prices etc on them. Please note that the "streets" column will need to be modified to include the format that matches the street names in your city/town (you can do that after printing with white-out).***</p>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p>ESL Bingo (cards and chits)</p>
PERSONAL INFORMATION	<p>Personal Information Forms: Unit 1 was specifically about personal information, but this is an important task and needs to be reviewed regularly. You can do the following activities with the learners (in order of challenge):</p> <ol style="list-style-type: none"> 1. Have them fill in their own personal information. 2. Dictate them your personal information (feel free to change some details). 3. Have them ask one another about their personal details, and fill it in for each other, then check if it's correct. 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p>Copies of Personal Information Form (1 page per 4 learners; cut into 4 strips)</p>
WEATHER AND DATE	<p>Weather and Date – today and yesterday: Print double sided and cut each printout in 4 equal strips. Have learners fill out today's date and weather, and then yesterday's date and weather on the back.</p> <p>Example sentence: Today is <u>January</u>, <u>March 13</u>, <u>3018</u>. The weather is <u>sunny</u> and <u>cold</u>.</p>	<input type="checkbox"/> <input type="checkbox"/>	<p>Copies of Weather Date Today Tomorrow (1 per 4 learners)</p>

III. REVIEW

Repetition is important. Our brains need to encounter a topic several times before being able to commit it into long-term memory! Therefore, after doing the warm up, use one of the strategies below to review what you did in last class. Always keep in mind that expecting perfect recollection from learners is unrealistic, so stay positive and reward recollection with praise, then move forward.

You can keep track of which review strategies you have employed this unit by checking the corresponding box each time you do one!

TIME: 10-30 minutes

REMEMBER: YOU CAN ONLY REVIEW WHAT YOU HAVE STUDIED BEFORE!

ACTIVITY	DETAILS & INSTRUCTIONS	☑	RESOURCES																		
GENERAL REVIEW	What did we do last class? This is a good choice when your learners have a bit of conversational ability; otherwise it will be difficult because they have to make such free sentences. Don't correct any mistakes that are unrelated to last class – this is about refreshing learners' memories!	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	n/a																		
TABLE REVIEW (Grammar)	<p>Complete the tables: Draw one of the following tables on the board/a piece of paper, and have learners complete it. You may have to demonstrate how this table works at first (<u>selecting <i>much</i> or <i>many</i></u>).</p> <table border="1" data-bbox="451 1136 1101 1430"> <tr> <td rowspan="8" style="text-align: center; vertical-align: middle;">How</td> <td></td> <td>apples</td> <td rowspan="8" style="text-align: center; vertical-align: middle;">do we need?</td> </tr> <tr> <td></td> <td>water</td> </tr> <tr> <td></td> <td>milk</td> </tr> <tr> <td></td> <td>butter</td> </tr> <tr> <td></td> <td>coffee</td> </tr> <tr> <td></td> <td>oranges</td> </tr> <tr> <td></td> <td>carrots</td> </tr> <tr> <td></td> <td>chicken</td> </tr> </table>	How		apples	do we need?		water		milk		butter		coffee		oranges		carrots		chicken	<input type="checkbox"/> <input type="checkbox"/>	n/a

HOMEWORK REVIEW	<p>Homework review: If you assigned the Ventures 1 workbook pages last class as homework, you can go over the answers with learners:</p> <ol style="list-style-type: none"> 1. Give learners a few minutes to compare in pairs. 2. Compare answers as a class. 	<input type="checkbox"/> <input type="checkbox"/>	n/a

<p>WORD LIST (BINGO)</p>	<p>Word List – Bingo: Do the activity with your learners. Don’t assume learners know how to play Bingo; the first time you do this it may be a bit rough, but this activity will return and learners will grow familiar with the concept.</p> <p><u>Note:</u> Learners are often confused by the idea of choosing which box to put in each word; they want you to give them the “right” answer. However, you can’t do that because everyone’s grid should be different! Also, at this level, giving examples or showing the flashcard works better than explaining the words!</p>	<input type="checkbox"/>	<p style="text-align: center;">Ventures 1 Flash Cards (Unit 7 – 12 cards)</p> <p style="text-align: center;">Copies of Word List – Bingo (1 per 2 learners)</p>

Each page of the book will have a picture and a sentence.</p> <p>After the books are assembled, read the books with learners. You can try to have them:</p> <ul style="list-style-type: none"> • repeat sentences after you • read aloud to each other • describe the pictures 	<input type="checkbox"/>	<p style="text-align: center;">Copies of Sam Goes Shopping (1 per learner)</p> <p style="text-align: center;">Scissors, Stapler</p> <p style="text-align: center;">***You must print this double sided for the folding to work!***</p>

REPORT & REFLECTION

Reflection is an essential part of teaching; without it, we cannot improve. You will need to print out several copies of this page— one for every session you teach. This will not only create a great record for yourself, but also an excellent log that will help you communicate with other teachers who may be working with the same group of learners.
