

Union Tech Added to ExxonMobil Approved Manufacturers List (AML)

HOUSTON, Aug. 14, 2017 – Union Tech Co., LLC was added to the latest edition of the ExxonMobil Piping AML and will be listed under category 7.4 (PI 608 / ASME B16.34 – Metal Seated, Floating Ball) in the ball valve section.

Prior to February 2017, Union Tech supplied ExxonMobil, as well as other companies, with severe-service metal seated ball valves (MSBV) as the OEM for the “PBV-UT” brand. The products are now directly available from Union Tech under the Z-Series valve product line, consisting of both severe-service MSBVs and rising-stem ball valves.

Union Tech is a global, integrated manufacturer of oil tools, including upper and lower completion tools, sand control tools, and highly engineered valves. Union Tech is headquartered in Houston, TX with manufacturing and distribution facilities located worldwide. For more information, please visit www.uniontechmfg.com.
