

NEWSLETTER: March 2017

Hello All!

Can you believe it's mid-March already? Spring is just around the corner.

As always, thank you for taking the journey and supporting Life Ministry (L.M.) Foundation. It has been such a great journey so far.

The Aspiring 2B A Better Me benefit concert event is to help raise funds for the Aspiration House (coming October 2017) Prince Georges' County, which will be a transition home for survivors of domestic violence.

We're so honored to have Grammy award winner Yolanda Adams, with Stellar award winner Jessica Greene in an evening of inspiration on May 6 – early bird tickets are on sale now, visit [www.thelmfoundation.com](http://www.thelmfoundation.com).

If you're not able to make the May 6 event, Actress Comedian Kim Coles from Living Single and In Living Color, will kick off our benefit concert series on April 15 for a night of fun and laughter. Please get your tickets now by visiting our website [www.thelmfoundation.com](http://www.thelmfoundation.com). If you're not able to make either event, please consider making a tax -deductible donation to support the work we're doing within the community.

Remember our mission is simple: Give hope to those who need it most! At LM. Foundation, we aim to rebuild hope where it's been damaged or lost. Our focus lies on community efforts, shelter, food aid, community awareness, and educational opportunities. We firmly believe it takes a village to raise a child or support a family and if you work on creating the most well equipped society you can, so many problems simply work themselves out.

On a final note, with the new budget being revealed this week, regardless of where you stand politically, the forgotten and families struggling not to be forgotten, will be soon fall further between the cracks. Whether you support LM Foundation or not, please support an organization that will help the community.

At LM Foundation, forgotten lives do matter!!

Peace & Much Love!!

Pam
