

Artemisia pycnocephala 'David's Choice'

David's Choice Sagewort

Photograph by Pietro di Girolamo

PERENNIAL - evergreen

1' high, 2 - 3' spread. Low, mounding.

Dense silver foliage.

Pale yellow flower spikes in the summer.

Horticultural selection *A. pycnocephala*: origin = cuttings (1978),
Point Reyes Lighthouse; intro David Amme 1980.

Part shade.

Good drainage.

Water 1 - 2 x/month, once established.

Good foliage color along borders and in cut arrangements.
