

Clarkia amoena

Farewell to Spring

ANNUAL

3' high.

Leaves narrow.

Flowers vary in color from pink to pale purple - April to July.

Native habitat: coastal hills and mountains from British Columbia to San Francisco Bay area.

Full sun.

Will tolerate poor soil.

Drought resistant but better with some water.

Good contrast color in a border.

Good on own, with other plants for other seasons.

Photographs by Margaret L. Fillius
