

# THE CATHOLIC CERTIFICATE IN RELIGIOUS STUDIES (CCRS)

Since its introduction, in 1991, the **Catholic Certificate in Religious Studies** has aimed to provide an introduction to Catholic theology and to enable every participant to grow in understanding as they live their faith.

Teachers, catechists, chaplains and school governors have gained the CCRS for the good of their work and hundreds of others have studied for their own interest. If you are keen to better understand the Catholic Church and its fundamental beliefs then you should consider the CCRS.
