

2017 Scholarship Recipients

by Carl Roark

The community of Landfall is justifiably proud of the employees of the Council of Associations and the Country Club of Landfall. Many of these employees are students at UNCW, Cape Fear Community College, Miller Motte, and Brunswick Community College.

To recognize the scholarship of these individuals and to assist in their continuing education, for over a decade, the Landfall Foundation has partnered with the Country Club of Landfall and the Council of Associations in providing employee scholarships. Since the program's inception over 100 student employees have received over \$160,000 in foundation scholarship grants. The program has a tremendous, positive impact on the lives of these young adults. Here is how a few of them explain that impact in their own words;

"Starting my Spring semester at UNCW and continuing into my eighth year at The Country Club of Landfall, I am beyond grateful for my opportunity to receive the Landfall Foundation scholarship. I have been able to use this in such a positive way for which I am very thankful." - Cale Slocum

"I am currently working as an employee in the CCL golf department. I am a junior at UNCW and a Marketing Strategy and International Business double major. My minor is in German. The Landfall Foundation scholarship would help me to further my academic career and allow me to stay on track to graduate on time. I appreciate the opportunity." -- Chance Webb

"Yet another school semester is upon us. Last semester was a "doozie," with 5 classes; I'm surprised I made it out alive. Fortunately, the end is almost here - only a few more classes until I become a graduate of the IT program at CFCC. The classes I am taking this semester will help me get my CCNA accreditation, which is a very important level for networking professionals. If all goes according to plan, I will become certified by the end of the Spring, and hopefully find an internship which will help me hone my new set of skills. Once again, I want to thank the Landfall Scholarship program and CCL for helping me brighten my future." -- Chris Enos

Each of you through your support of the Landfall Foundation through sponsorships, by attending or volunteering at the Annual Gala, the Art Show, the Holiday Marketplace or the Landfall Golf Tournament, will continue to make stories like these possible. Thank you to each and every contributor... your generosity has in the past and will continue in future years to make a major difference in the lives of our student employees.
