WHAT IS A

COLOR WHEEL?

**A color wheel is a pie chart
that shows how colors relate
to each other.**

WHAT ARE

PRIMARY COLORS?

**Use your
crayons
to color in
the primary
colors!**

**They are called primary colors
because when you mix them,
they make ALL the other colors.**

HOW DO PRIMARY COLORS

WORK?

**Use this color
chart and your
crayons to practice
color mixing**

PRACTICE YOUR COLOR MIXING

Trace a shape as many times as you can. Then color in the new shapes with your crayons.

Use primary colors for the main shapes. Use the colors they make where they overlap.

Using the magnifying glass,
find the following colors and materials.
