## TASTE OF BEND - MARCH 25

### Information on Bend, Oregon

Spring is a great time to visit Bend. Warmer weather and longer days make their way back into town, so does Bend's Spring Festival and Pole Pedal Paddle! We find that there's something magical about being able to hit the slopes in the morning, and go mountain biking, all in the same day! Beer and food you ask? You'll have plenty of options in this town. Entertainment? There's something always going on: Trivia nights, Open Mic, Happy Hours, Live Music, Live Shows, you name it! With some many things to see and do in Bend, we're excited to offer you our recommendations based on who you are as a Traveler!

While you are in town, here are a few tips we find helpful:

- Dress in layers: Although Bend is known for having 300 days of sunshine, weather can sometimes be unpredictable, especially in the Spring. It may be rainy in the morning, and sunny in the afternoon, and cold in the evening. Layers are the norm here!
- Ride sharing: Uber and Lyft haven't made it here yet (should be here come May!) . If you'll be enjoying our many craft beers, and don't want to or won't be driving, here's the number for the highest rated cab company, GreenCab of Oregon, (541) 705-2002.
- Roundabouts: You'll find them everywhere and we like them!
  - Approach: "Slow down as you approach the roundabout."
  - Enter: "Before you enter, you must yield to traffic inside, as well as exiting the roundabout. Wait for a gap and merge into traffic."
  - Proceed: "Once inside the roundabout, move around the circle until you reach your exit. Allow bicycles that have merged into traffic, the full travel lane. Do not pass bicycle."
  - Exit: "Indicate your plan to exit using your right turn signal."
- Safety first: Better to have them and not need them, than need them a not have them. Here are some local numbers that are good to have:
  - Bend Police Department: (541) 693-6911
  - Bend Fire DepartmentL (541) 322-6300
