Hi Robert and Dan: This just came in from GG Audubon. They are recommending their members engage with the NPS professional staff in the review process - not mount a campaign directed toward elected officials. We're still hoping to speak with you on Fri AM; let us know if a call around 1:30 PM EST works for you. HL

Hi Howard. I wanted to let you know that we just posted an article on our blog about the GGNRA dog management policies.

<http://www.goldengateaudubon.org/blog-posts/speak-up-for-wildlife-in-the-ggnra/>

We'll have a shortened version of this appearing in the winter issue of our Gull newsletter, which will hopefully arrive in members' mailboxes around January 1st, giving them a little time to comment before the deadline closes.

Feel free to share, link etc. if it seems appropriate.

Happy holidays,  
Ilana
