Thanks Howard. Would you be so kind as to let Amy know what the decision is/will be and copy me?  
Appreciate all you have done and continue to do and would be personally thrilled to close this chapter ,as I am more than sure you would be, also.

Cheers,  
Jan

Hi Jan: Frank will probably send off a reply letter to Rep Pelosi later this week - so I think you could say the decision will come by mid-week. FYI, we were told by the staff for Rep Pelosi that they are only hearing from one constituency on the dog mgt issue. So unless they sense there is strong interest from other user groups, they are left with only one point of view being expressed to them. HL

Hi Howard:

I am attempting to get a petition finalized and circulated to support the NPS and the SEIS and have stumbled into the typical group editing quicksand. Shoot the person that created this unworkable concept that is supposed to represent teamwork!!! (you probably think this sounds familiar for some reason ...)

Being aware that Nancy Pelosi has asked for yet another extension of the comment period, I would like to know exactly when NPS will make a decision whether or not to extend the current closing date of 1/11/13. I am looking for a date on this decision.

My condolences,  
Jan
