Susan,
Further updated file list for tomorrow' s discussion in war room at 11AM.

Mike

PS. Do you have this contractor sign a "non-disclosure" agreement? I will need that as part of her contract thru GGNPC given the sensitive nature of my supt files and dog mgt files.

Susan,
Attached is that section of task order related to this admin support. GGNPC account for this task can be gotten from Garrett Lee. I will touch base with him before our meeting today.

Hi Mike,
Please check for previous message about project account and task agreement information so I can draft a Scope of Work and contract for the project! Thank you.

Susan
