Let me know when you want to talk. I cannot believe they sent this today. Maybe they don't know we are part of the federal government. It would explain much of his past behavior.

Yes, let's discuss as we indicated we would not attend, but he appears to want a written response. Also, I plan to be at a conference out of state that week, or who knows where our budget operational issues will be by then.

Despite my blunt advice to Scott, he called the hearing. We should talk about whether or not we show up for this one - pros and cons both ways. HL

Hello General Superintendent,

Supervisor Wiener asked that I email you the attached letter, inviting you to an upcoming hearing on the GGNRA Draft Dog Management Plan & Supplemental Environmental Impact Statement at the Board of Supervisors Land Use & Economic Development Committee.

Please advise if you or a representative from the National Park Service will be able to participate in the hearing.

Best,

Adam
